

HARRIS

Wound Healing & Hyperbaric Center

June 21, 2017

The Harris Wound Healing & Hyperbaric Center is pleased to announce that William 'Billy' Noell, MD will serve as our full-time provider beginning July 1, 2017.

Dr. Noell has served as the medical director of our center since 2013 with oversight responsibility for all of our clinical providers. We are excited to welcome Dr. Noell to the center full-time in a role in which he will see wound patients daily and oversee hyperbaric treatment plans.

Dr. Noell has practiced as a general surgeon in our region for more than 20 years, most recently with Harris Surgical Associates alongside Eric Reitz, MD and Joshua Pratt, DO. Dr. Noell brings expert knowledge of wound care and deep compassion for patients to our center.

We would like to thank Lawrence Blelloch, PA and Gregory Leamy, PA for the care they have provided to patients over the last year and a half. We wish them well in their career and thank them for their excellent service to patients.

As a patient of the Harris Wound Healing & Hyperbaric Center there is nothing for you to do. Your records will transition seamlessly and securely to Dr. Noell's care. If you have questions please call (828) 586-7910.

Thank you for being our patient. We look forward to continuing to serve you.

Sincerely,

The staff of Harris Wound Healing & Hyperbaric Center
